From the East

Greetings Brethren!

As the new Worshipful Master for 634 I had the opportunity to talk to dozens of brothers who I have yet to meet. I got to hear some amazing stories from our brethren withersoever dispersed. One of these conversations was with a brother whose last time in lodge was in 1975! Bro. Delbert Teis no longer lives in the area and is about to receive his 50 year award! I heard some amazing stories about 634 back in the '70's from him and looking forward to traveling down to Orange County to present his award to him.

By the time this trestleboard is sent out the officers of 634 have conferred to Entered Apprentice Degrees to Brother Thai Pham and Brother Marty Rose.

2023 started in due form... "Bee Hive Business" with our officers practicing under our officer's coach and inspector for less than three weeks and then right into conferring a degree. I was pleased to see the lodge parking lot packed and see a lot of sideliners, some of whom had not been to lodge in while. It was an amazing night for everyone and I hope this has set the tone for are upcoming degrees.

I am asking all who read this who have been away for a while to see about coming in for at least one degree this year or fellowship; get to know some of your new brothers and some familiar faces as well.

From the Inspector

Greetings my Brothers!

It was great attending all of the Lodges installations over the last month. We have a great corps of officers, and I look forward to seeing where our district goes under the excellent leadership we have in place. The Lodges are busy initiating new candidates, and by the time this is published we should have three new Brothers! I know that we also have some raisings on the horizon. Keep up the good work, and I'll see you in Lodge!

Scott Nelson, PM
Inspector, 802nd Masonic District
